SENIOR CLASS RAISES "BIG BUCKS"

Money! If Seniors thought of anything, they thought of all the money needed for their class activities. How did they raise the necessary mega dollars? The answer was by hard work, well planned events, and spirited cooperation.

The first event, a Rigatoni Feed that was held in September 25th. Supporters of the Senior Class packed the cafeteria to dine on Rigatoni, salad, french bread, coffee and ice cream at only $4.00 per person. The class profit was $200.

Getting in gear and reving along the senior class enthusiastically participated in homecoming and spirit week. Their theme lifted a page out of time as the late sixties returned to EHS in clothing that featured bell bottoms, paisley shirts and other nostalgic memories.

Spring as usual was filled with romance, spending earned funds, and graduation plans. The most romantic evening for most was the smashing junior/senior prom.

In quick sucession the Banquet, Baccalaureate, and final expenses for graduation used up the mega bucks so carefully earned.

JUNIOR CLASS
Makes Big Profit

Juniors had a profitable year as their account rose to $4,500. Outgoing juniors brought in a profit of $250.00 by selling an assorted variety of candy during their candy sale and spirit week. They also sold blue and white painter hats that sold successfully to teachers, students, and alumni.

During spirit week the class of "87" decided that their class theme would be Fairy Tales. Not a moment was wasted. They were already planning a poster party to make all necessary posters.

Extra spirited juniors took time out from their social life to come back to school and decorate the junior hall at 7:30 P.M. Their efforts were successful. They did an excellent job decorating the hall elaborately with flying fairies and wicked witches.

To keep the Christmas spirit alive, juniors sold roses with candy canes.

With much thought and preparation, the spring dance brought enough profit to secure the class of "87" a promising senior year.

SOPHS GO MTV
During Spirit Week

An impressive amount of Sophomores came together during Spirit Week to show their unity in making their class shine. Instead of the traditional Mad Hatter's Ball, the Sophs came out with a different theme-"Sophomores' Night of the Living Dead." On October 25, more than 400 students danced the night away to the tunes of GO WEST, OMD, DOUGIE FRESH, and KLYMAXX. They made an impressive profit of $800.

With the arrival of Spirit Week came many enthused Sophs. At the meetings, they came from everywhere and absolutely demanded their MTV! They had pictures of their favorite pop groups and singers plastered on the walls. Sophomores presented the school with an example of how they wanted their MTV. Special guest stars were Dougie Fresh and Slick Rick, Ready for the World, the Boss, Bruce Springsteen, Tears for Fears, Adam Ant, and even the Boy Toy herself, MADONNA!

The continuous selling of candy bars, such as Nestle's Alpine White Chocolate, Snickers, Twix, and M&M's made an excellent profit of $600 during the months of October and November. All in all, the Sophs had a very impressive and profitable year.

FRESHMEN GET ADJUSTED TO EHS

The school year was a surprisingly different change for the incoming freshman. Besides having Barry Conner as their new principal, the freshman had to deal with a different school and schedule. The 1989 graduates learned to adjust to their newly acquired environment and make the best of it.

The class of 89 elected Matt Boone as President, giving him the opportunity to work with Vice President, Florina Bermudes. Veronica Estropia was elected into the office of Secretary. The Class Treasurer was none other than April Johnson.

The freshmen class elected Priscilla Castro as their Spirit Leader.

The Freshmen Class Council met once a week to decide on up coming events. Besides reviewing the calendar, the council and Freshmen advisory representatives discussed fund-raisers and a theme for Spirit Week, November 12-15, 1985. After much thought and consideration, they chose the theme "Freshman go Hollywood." To show their spirit, the class decorated their star-studded hall with the names of the latest, most popular entertainers of motion pictures.

Alicia Jaramillo, Christina Scott, Matt Boone, and Mimi Young show their class spirit on Hat Day.

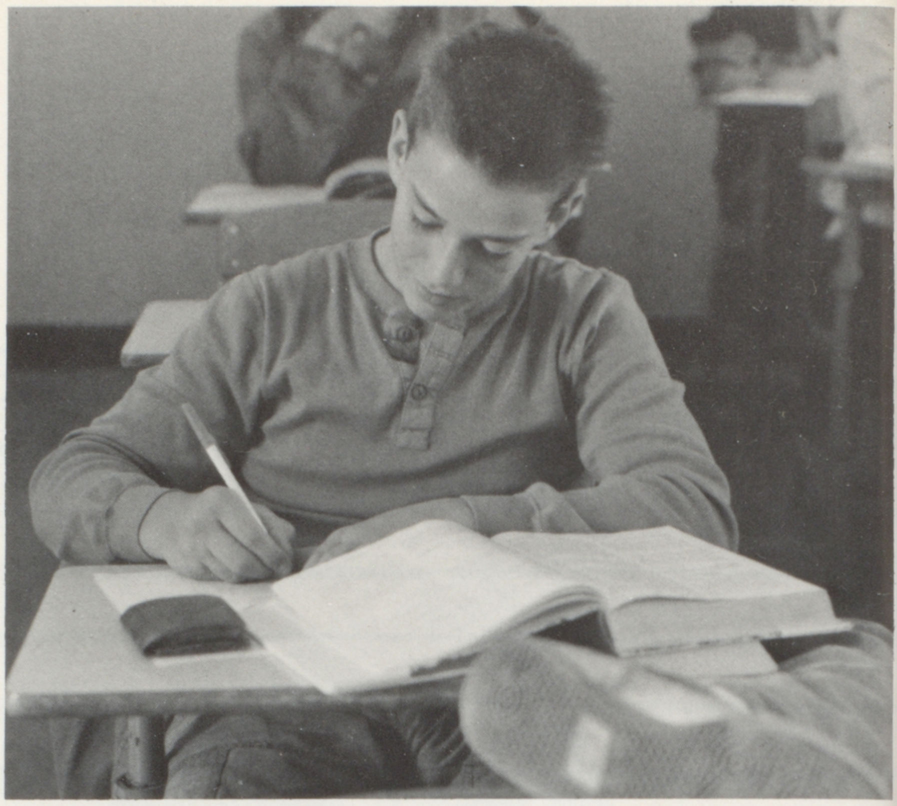
ENGLISH-THE KEY LANGUAGE FOR COMMUNICATION



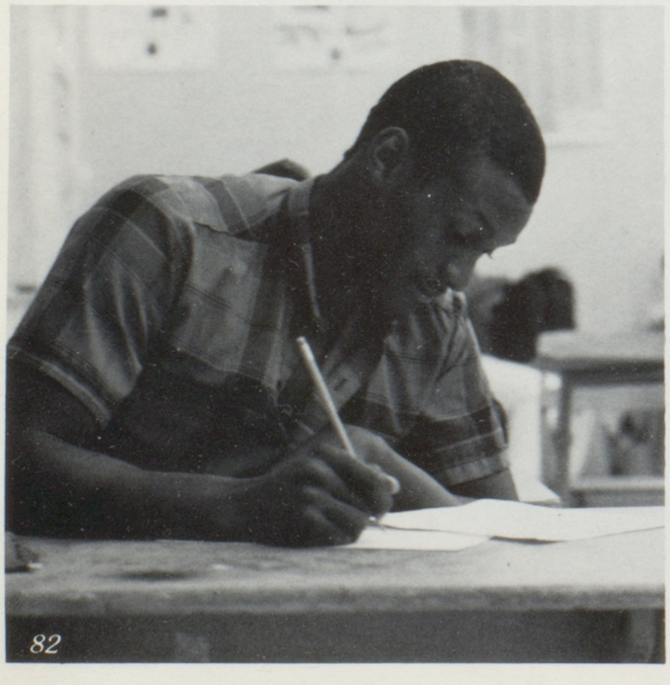
The English Department was vitally important because English grammar is everywhere. Many subunits of this department were broken down into the Journalism, Public Speaking, ESL, and Drama classes.

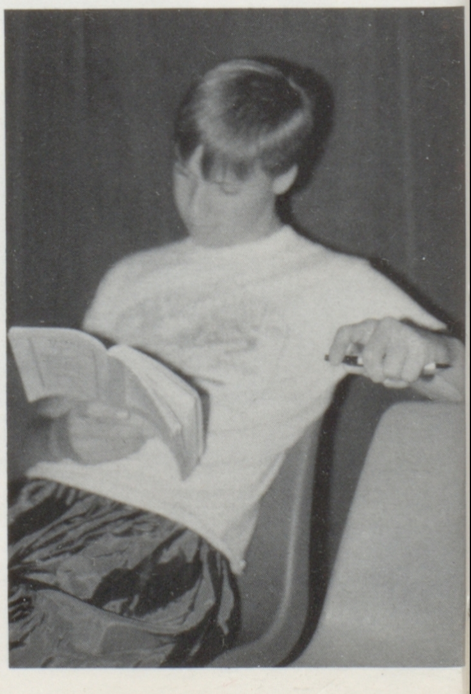
The Journalism class worked hard to find a way of making the ECHO seem more like a real newspaper. The Public Speaking class tried taking the edge off their nerves when addressing speeches in public. The ESL class, which meant English as a Second Language, expanded their horizons by learning to speak it fluently and correctly. While they still had their Filipino, Spanish, or Korean accents, they had no trouble getting into the swing of proper grammar. The Drama class spent part of their time acting as pantomines. They chose to imitate anyone or anything they liked, and had a great time while doing it.

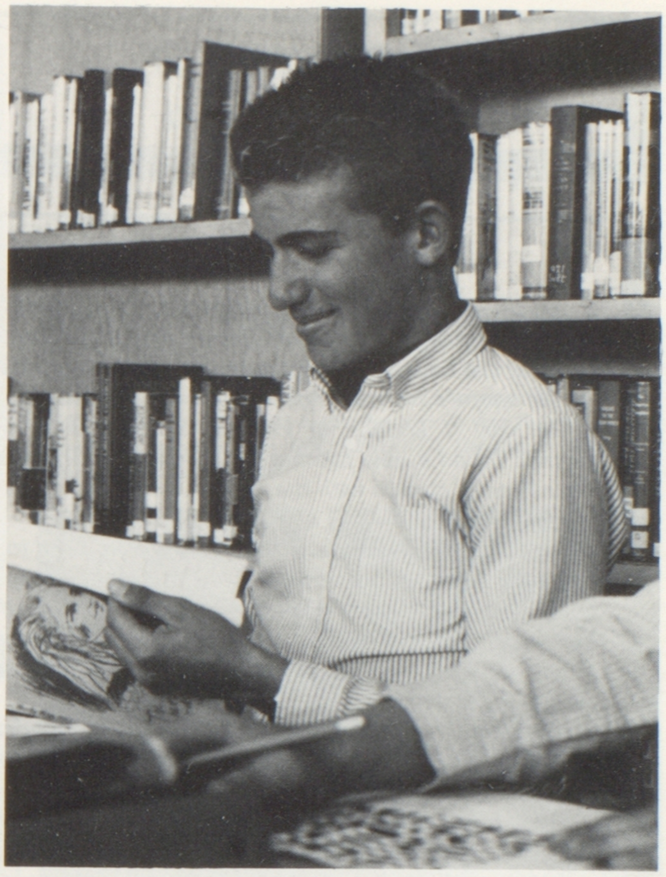
Approximately 1,100 students took part in reading either Foreign or American Literature books written by famous authors. The classic William Shakespeare, Victor Hugo, Edgar Allan Poe, and Nathaniel Hawthorne are just a few examples of intelligent authors.

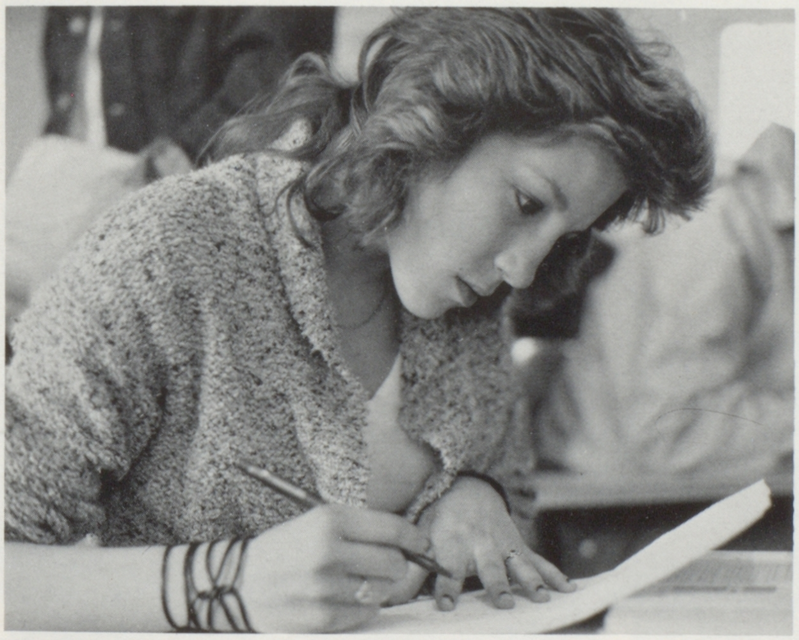
Students of all grade levels enjoyed reading the books that were gladly assigned to them by their English teachers. The freshmen learned about love, life, and tragic misfortune through reading and watching ROMEO and JULIET. For sophomores, World Literature was what they read about in the Euripedes tormented MEDEA, and the miserable LES MISERABLES. The juniors read about sin and punishment in the SCARLET LETTER, and of the famous whale in Moby Dick. The seniors finished off their year by reading sonnets from HAMLET and MACBETH, which were both written by William Shakespeare.

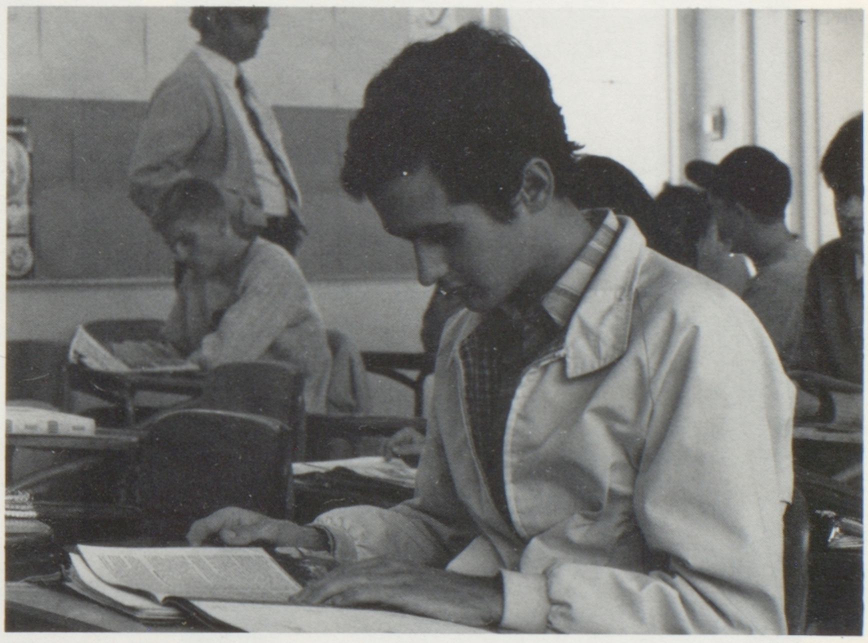
The ten or so English teachers, headed by Mrs. Slater worked hard to give all students the opportunity of learning basic to advanced reading skills. They made sure everyone wrote as clearly and concisely as possible.

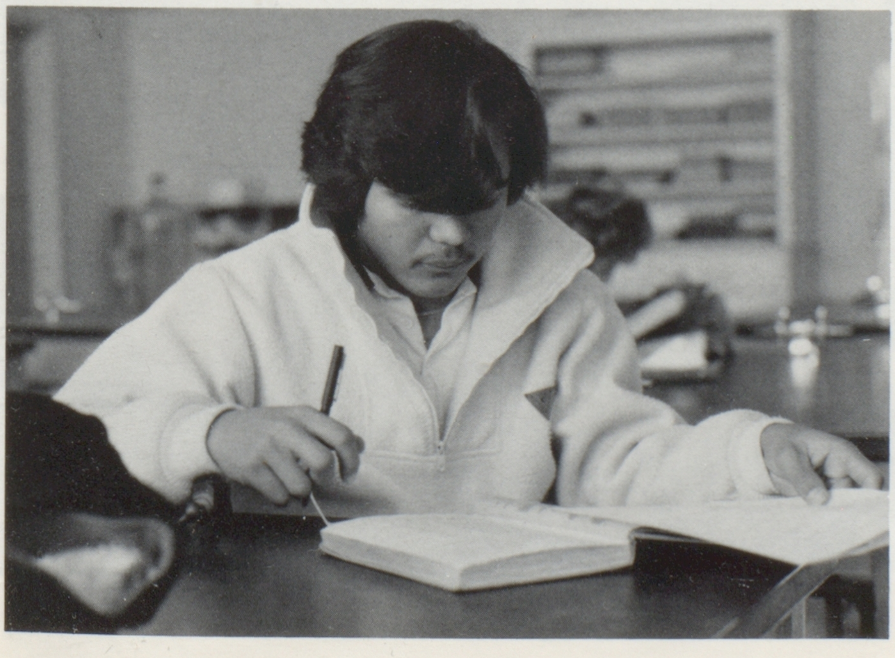












TOP LEFT: DOLANDA Charles helps Fahima Arghandiwal find an article to talk about in Public Speaking. TOP RIGHT: Shane Venables looks for Chapter 17 in his WORDLY WISE book. SPANISH-SI
French-Oui

Yo no se!-"I don't know," in Spanish. There were 285 students enrolled in Spanish classes this year. Students learned the basics first, and moved on to writing essays, in the more advanced Spanish 3H and 4H classes.

Je sais!-"I know," in French. Students who took French found a new teacher, Ms. Donohue. She taught four French classes with the highest levels being French III and IV.

The Spanish and French cultures were exposed to the students through short stories, films, slides, newspapers, and class discussions. When the students read about different countries some of the teachers had been to, they were given an extra treat of personal knowledge about the country's people and their customs.

For the more lucky, the French III and IV students, had the opportunity to read, **Le Petit Prince,** when their abilities had strengthened a bit.

The hard work of memorizing vocabulary words, learning grammar rules, and figuring out the right pronunciation allowed students to broaden their knowledge of a foreign country.

BELOW: Caesar Hernandez prepares to pronounce his name. BELOW LEFT: Dave Stebbins laughs because he had the right answer after falling asleep in class. PEOPLE, PLACES AND HISTORY

We demand the rights to the Twenty Amendments! We have learned this in our History and Government classes. Mr. Edwin Winberg, the head of the History and Government Department was also in charge of Close-Up that was held in Washington D.C. Students got a chance to learn about their American government system.

Types of classes were offered throughout the freshmen, sophomores, juniors, and senior levels. Freshmen learned the attitudes of people and their customs through Social Studies; Sophomores attacked World History with the suspense of learning about the first civilizations and the personalities of others; Juniors investigated many of the major issues in American history from the Jacksonian era to the present; and the Seniors took on the principles, functions and structures of the American government system. The primary concern of this class was to understand the role of the ordinary citizen in influencing, making, and accepting policy decisions at all levels of our government. They also learned how our economic system operated. The major goal was to create an awareness of economic decisions the student must face in life.

The teachers who made this possible for students to learn about the people and how the world runs were: Mr. Roke, Mr. McCartney, Mr. Feeney, Mrs. Nelson, Mr. King, Mr. Grant, and Mr. Winberg.

We have journeyed through a space of political parties, civilizations, and decisions. We have acknowledged the fact that our ancestors made history that will last a lifetime.

STUDENT SENATE LEADS SCHOOL

Leadership was the class that had to deal with governing the student body. Headed by advisor Arthur Roke, the leadership class got involved with not only school activities, but also community services. The activities included helping Senior Citizens at Mastick Sr. Citizens Center, Blood Drives, and Fleet Week.

On Thanksgiving Day, Leadership students helped serve food at Mastick's Sr. Citizen Center, giving Encinal the honor of having volunteer students involved in the community.

The Blood Drives were held during the months of November and May. Participants lost a pint of blood, but gained the satisfaction of knowing their donations went to a worthy cause.

Last summer our ASB officers, President Gemma Kim, Vice Prez. Becky LaCroix, Secretary Dana Manuntag, Treasurer Staci Leuschner, Commisioner of Spirit Stacy Green, and Publicity Officer Tad Lutz went to a camp called CASC, California Association of Student Council, at Long Beach, California. Gemma Kim quoted, "CASC was very inspirational, a good experience, and I learned about my office position, as well as about myself and life." The officers brought back many helpful ideas such as Club Interact which met on every Wednesdays of the month. There the club sponsors and presidents discuss fund raisers, unity, and improvements on how to have a better club.

Some people thought Leadership was a kick-back class, but it wasn't. It helped students be prepared, get involved, and brought spirit to our school. The Leadership class' many deeds helped improve quality of school life at Encinal High.

NUMBER OR TERM, MATH EDUCATES!

Numbers educate! That was not news to anyone who signed into Consumer Math, Geometry, Algebra, or Calculus. In 33 daily classes, 830 brains whirled numbers around. Of course, students mastered the language of math which featured such fascinating words as ***matrix, parabolas, inequailty, redicle,*** *as well as* ***area, bisect,*** *and* ***postulates.***

Consumer Math students solved problems related to personal money mastery, taxes, wages, and savings. Algebra students wrestled with basic math concepts such as the "addition", "identity", "transitive", and "symmetrical" properties. They also learned set and axomic concepts. Geometry students exposure leaned heavily on proofs, planes, and arcs. The most advanced students were enrolled in Trigonometry and Calculus, there loci, derivative, and velocity were key terms.

Each student was insured of getting a math education with Ms. Vierra as the "Head of the Math Department. She designed a very difficult yet challenging agenda for every level of math offered.

COMET INTRIGUES SCIENCE STUDENTS

Physics, Physiology, Biology, Chemistry, Health and World of Science are all part of the 1986 Encinal High School Curiculum. Student's have had the rare opportunity to observe the once in a lifetime scientific phenomena; Halley's Comet. Halley's Comet passes through our galaxy every 76 years, 1986 is the year that Halley's Comet will come.

Physics class has a total of 24 students who learned the fundamentals of energy. The class, taught by the new teacher Alan Nelson, has gone through many interesting lab reports. The students have rolled balls down an incline to the explanation of how heat causes the expansion of objects. Because of the return of Halley's Comet the class was subjected to astronomy.

Chemistry, this year, is being taught by Mr. Alan Rebensdorf and Mrs. Alicia Tralli. The three classes, divided between them, have learned the fundamentals of Chemistry. Lab experiments ranged from boiling water to mixing up aluminum and iron oxide which result's in an explosion.

Biology, another interesting class, involved the disection of fresh sheeps heart, fetal pigs, and other parts of the human body. This class dealt with the required exam to graduate from high school which is the First Aid test.

Health and Physiology classes evolved around the study of the human body. The students worked more towards a grade-conscious perspective. Overall, the students of Encinal High School's Science classes have accomplished the mind bogling basics of technology.

EHS BAND PROVES HARD WORK PAYS OFF!

Whether it was a blazing hot afternoon or a cold, blistery day with black threatening clouds hanging overhead the Encinal High Band could be found practicing marching routine on the Willie Stargell Field. Led by Lisa Schleininger, Drum Major, and Mr. Hewitt, Band Director, the Band was taught three to four new routines and music pieces weekly.

Performing six marching routines each consisting of an average of forty different steps, the EHS Band strutted its stuff at Varsity Football games. Marching routines varied from complex dancing steps to just standing in formations, but they all ended with the familiar Block "E" and victory songs.

The Band didn't only perform at Varsity Football games. In the summer, the band marched in the Alameda 4th of July Parade. The annual Veterans Day Parade held in Hayward and the Shriners' Game in Palo Alto were other activities that the Band participated in later in the year.

The fun didn't end after Marching Season. Band members had the opportunity to join the Pep Band, which played at Basketball games, or the Christmas Carol Band, which played at various Alameda schools, private residence, and convelescent homes. Test scales, and new songs filled each Band member's week when practices for the Winter Concert in February began late in November.

In May the Band held its annual Band Review, fashioned after Cal Berkeley's reviews. The Review included a marching show, concerts skits, jazz combo's, dances, and comedy acts.

SPECIAL ED
Students Excel

Nine percent of Encinal's population went to classes that provided special instruction in academic and vocation areas.

The special education program managed to develop the skills of many students based on a vocational program that went really well.

Encinal had many hard working special Ed students who were taught by 5 equally hard working teachers. Mrs. Pedderson, Ms. Devereaux, Ms. Haynes, Mrs. Rutter and Ms. Hampsted, along with their assistants and the students combined efforts, enthusiasm, plus will and determination; the result was learning disabilities for many students were saved.

Special education was particularly valid for students who had problems in learning areas, such as the inversion of letters in words. Some had trouble in subjects like English or Math, which were basic for graduation.

Classroom programs covered the same material used in other Encinal classes but they were modified for particular student disabilities at each grade level.

E.H.S. TRAINS STUDENTS FOR BUSINESS WORLD

Take your choice when you aim for a business background in high school. At Encinal the corporate chairman of the future could study typing, Word Processing, Shorthand, Accounting, or even take a computer course.

The dynamic duo of Mrs. Porter and Mr. Ybarra put those with nimble fingers through their rigorous typing paces. In Shorthand Mrs. Porter pressed her students into memorizing nearly 200 brief forms and proving their abilities when they transfered what they had taken in dictation directly into typed copy. Mr. Ybarra taught his Accounting students the basic principles of bookkeeping for Services and Merchandising Companies.

Mrs. Bessard had her Word Processing class take two five minute timed writings each day to keep up their typing skills. After timed writings the students worked on either the AT&T or the MAGNA SL Word Processors.

Mr. Matula and Mr. Capling showed those wishing to take computers how to program the computers to make lists and do simple mathematical equations, while more advanced students were able to create their own video games.

No matter which class the business executive of the future chose to take he could count on getting the best training possible at E.H.S.

R.O.P. IS CAREERS IN PREPARATION

Regional Occupational Programs courses zeroed-in on education and experience through instruction and on-the-job training. Word Processing, Food Management, Computer Data Processing, Auto Maintenance, and Vocational Horticulture were the five courses offered.

Enrollment was limited to Juniors and Seniors. Their initial training started on campus. First, they learned specific job skills, then interview techniques, employer-employee relations, and finally job-retention tactics. In today's world an outside job needed well prepared people and that's what the ROP courses aimed for; well prepared people.

Industrial Education was another career-oriented course offered at Encinal. Classes included: Wood I and II, Stagecraft, Metal I, Beginning Typing, Jewelry, and Mechanical Drawing. These courses centered on giving the students an understanding of a possible trade-occupation.

Students spent a two-hour time block each day in the campus activities: which included on-the-job instruction and practice.

The number of students enrolled in the ROP courses was 318 and in the Industrial Education courses was 629.

ROTC HAS ANNUAL TURKEY SHOOT

A shoot-out for turkeys, chopper rides, and parades highlighted the 1985-86 ROTC program. Step, after step, 138 students learned the art of marching through daily drills as part of their class time. The rest of their military study was devoted to learning about military history, leadership qualities, and how to become excellent citizens.

Batallion commander Arthur Abad, also commanded the drill team, whose members practiced every Tuesday and Thursday at 6:30 A.M. Time after time in practice they choreographed routines to perfect the intricate tosses and twirls of their rifles. With a lot of confidence built up and hard work built in, the drill team came home with first place honors from the Veterans Day Parade on Nov. 11.

As a courtesy by the U.S. Navy, ROTC students were given chopper rides over the bay area. Many students were impressed and thought the ride enjoyable. It was a first for some who had never flown before in a helicopter.

ROTC's annual Turkey Shoot was enjoyed by all those who considered themselves modern Annie Oakleys or Dead Eye Dicks. From Nov. 20 to Nov. 23rd the best marksmen and women competed for Thanksgiving Turkeys. The best part of the Turkey Shoot was the profits which paid for ROTC uniform patches and for end of the year picnics and parties.

P.E. IS NO SWEAT!

The students found in the Physical Education program, a variety of exciting, new sports that were played indoors, as well as outdoors.

Along with the usual football, basketball, volleyball, softball, badminton, tennis and weight training, came more challenging sports to build up high energy and vitality, as well as good exercise. These new units of instruction included team handball, dance, and aerobics, which were played on our gym, and speedaway, soccer, golf, and even bicycling along the beach in the fresh outdoors.

Traditional testing for presidential awards were mandatory in the spring for all students in Physical Education. Six minute runs, standard broad jumps, pull-ups, sit-ups, and side-steps were just a few exercises that were required for the test.

To teach basic skills in exercise and health were the goals of the instructors. Teaching the P.E. curriculum were Ms. O'Rourke, Ms. Spaulding, Mr. Ironside, Mr. Ludy, Mr. Feeley, Mr. Grant, Mr. King and Mr. Johns. Their aim was to give the students a clear mind and an attitude to excel in every sport.

HORIZON MAKES A DIFFERENCE

The 1986 Horizon Staff strove for a whole different look. Their main objective was to create a yearbook different from all those preceeding it. They wanted the product of their efforts to be a stunning publication that embodied the events of 1986, storing memories of Encinal High.

The staff of seventeen, under the direction of Co-editors Angela Chow and Julie Thatcher and Advisor Mr. Arthur Roke, worked day in and day out to meet their deadlines. Each member of the staff was responsible for accumulating $360 from advertisements and designing several layouts. There were added pressures on the photographers, who were assigned to take pictures of all school events from football games to pep rallies.

One major difference in the '86 yearbook was the added pages of color. The books thirty-two pages of color included Senior portraits and candids. The Editors also decided to abandon the traditional row of mug shots on the bottom of each page, allowing the staff to be more creative with their layouts.

Realizing that publishing a book was an expensive process, the staff channelled some of their creative energies to put on a dance. It was held on Dec. 20, 1985 and given the theme " 'Twas the Dance Before Christmas." Students lined up outside the gym ready to dance to the sounds of DJ's Danz Beat. The dance estimatively grossed $1,200 as prices for admission ranged from $3 to $4.

Understanding that their best effort and cooperation were necessary elements, members of Horizon worked hard to produce a quality yearbook. They wanted a book representational of not only the 1985-86 school year but also their commitment to making a difference.

CROSS COUNTRY GOES THAT EXTRA MILE

Desire! Determination! and Dedication! These were the elements to the cross country runners success throughout the '85 season. Coached by Joe King these athletes were well trained and prepared for a long and fullfilling season. For this competitive sport, workouts ranged from 3-4 mile intervals to longer distance runs. Practice was held daily from 3:00-4:30p.m. Dual meets were held on Weds. and there were two Sat. Invitational meets.

There were three EHS teams competing, a boys j.v. a boys and a girls Varsity team. There were many new faces and new goals. Freshman Matt Boone led the j.v. team at the ACAL meet for a 1st place victory. Other achievements for the j.v. team was a 3rd place at San Ramon and a 3rd place at the Mariner Invitational.

The Varsity girls team found hope and promise when they placed high in the San Ramon and Mariner Invits. They placed 13th at the Stanford Invitational that had attracted runners from all over California. The girls' enthusiasm and good attitudes pulled them together. They finished a strong 2nd place in the ACAL meet, which brought these girls back to their home course to compete in the North Coast section hosted by EHS. As a team they placed 7th.

At the ACAL meet the boys placed 2nd. The highlight of the boys Varsity season was their 5th place finish at the prestigious Stanford Invitational. They were also impressive at the San Ramon and North Coast Section. The team placed 7th at the North Coast section.

The history of cross country at Encinal was changed by two individuals. Sydney Thatcher and Chris Hoepker were the first to ever win North Coast Titles. Sydney was also the ACAL Champ, 4th at Stanford, 4th at Meet of Champions and 31st at the Nor Cal "State" Meet.

Chris was undefeated his entire season until the Nor Cal meet. Winning was not enough for Chris, he set records along with his titles. Chris won the Stanford, San Ramon North Coast and Meet of Champion titles. He ended his cross country season by placing 6th in the State Meet.

VOLLEYBALL TEAM TAKES ACAL

The volleyball team had a dynamic season. They exploded with a lot of enthusiasm, beating each team that came upon their path. The unstoppable Jets, coached by James Turrentine, surged into an "unbeatable" record of 15-0 for the season. The Varsity team put in a lot of hard work and dedication, and found themselves to be the ACAL Champions and rated fifth at the North Coast Sections.

At the ACAL playoffs for the North Coast, the girls' lost once to Albany, but avenged them in the next game. The final record of 17-1 was the best record for an Encinal Volleyball Team.

There were three All-League players selected: Ituala Suesue, Liza Scott, and Denise Murray; and an Honorable Mention went to Gemma Kim. In individual awards: Best Offense went to Ituala Suesue; Best Defensive players were Denise Murray, Liza Scott, and Gemma Kim; Most Improved players were Olivia Rivard and Jennifer Sanborn; and the Chow Twin's, Cynthia and Angela contributed many needed points through their serves.

The Junior Varsity team finished their season with hard fought wins and losses. With the efforts of all, the hard grueling practices and games was worth the wait of an Encinal ACAL team.

TENNIS TEAM INSPIRATIONAL

"Ace! Love-40! Deuce!" These were the common phrases heard when the EHS girls tennis team took to the courts as they played their opponents for the ACAL title.

The team had six returning letter holders that were Stefanie Biba, Neeta Chakradeo, Susan Cohen, Becky LaCroix, Lynn Ordona, and Jackie Wong. These girls fought hard to improve their skills as well as the unity of the team success. All the girls were number one in their own right, as they challenged such teams as Alameda, Berkeley, Albany, El Cerrito, and Piedmont.

The jets all competed in the ACAL playoffs. There were four rounds in the league playoffs. Stefanie Biba was the only individual who made it to the final round before being beat by Berkeley's #1 player, while Anna Aste and Laura Cohen remained as #1 double pair for the team.

The coaching of Sandy O'Rourke made the team inspirational and quoted, "I am happy with the season, but I am upset that all of our single girls will be graduating." Even though the team did not make the title; winning or losing as a team together was one experience they will never forget.

FROSH AND J.V. ACAL Champions

Hard work and determination brought the 1985 Encinal Frosh Football Team to ACAL two years in a row; beating Alameda 36-0. The game was played on Thompson Field. Jesse Pedro lead in rushing with 115 yards, J.R. Rider had three pass deflections and eight tackles. Teamwork played a major role in their determination for winning. Even though the team was young Coach Mike Karvasales and Assistant Coach Gino Marcelline were pleased with their performance. Before making it to ACAL the team played Piedmont. Perry Moore lead with 110 yards rushing and Andy Oddete with 100 yards; this resulted in a score of 22-18. The Frosh team was 4-3-1 for the season.

The 1985 Encinal Junior Varsity Football Team played exceptionally well and tied for first place in ACAL with Alameda. The Alameda game ended in a 14-14 tie. James Fritzler and Mike Brown brought in the two touchdowns. They caught, blocked and went all the way for a touchdown that's how the J.V. Football team operated. Defense was a major factor in winning the important game against Piedmont. The team lead in the first half 16-0. In the second half the junior varsity team protected it's 16-8 lead with five interceptions. During this game defensive ends Derek Hobbs and Eric Santos helped in sacking the quarterback seven times. The Albany game also showed how powerful the J.V.'s defense was. They created eleven turnovers: seven fumbles and four interceptions. Coached by Don Grant and Assistant Coach Charles Fehely, the team was 6-3-1 for the season.

VAR. FOOTBALL
Advance To NCS Playoffs

The words "Jet Pride" echoed across playing fields as the Varsity Football Team gave great meaning to them. The Jets had a winning season. It was a young, but strong team with 18 Juniors and only eight Seniors.

The team showed its power to most of its opponents. On September 27, the Varsity Football Team left Jet Territory, travelling North 200 miles to steal an easy victory over Ukiah, 27-0. Other teams defeated were Arroyo and Bishop O'Dowd.

For the third consecutive year, the team took the ACAL Crown from its rival opponents; Richmond, Piedmont, and Albany. The last team to be crushed were the Alameda Hornets — who had been undefeated — until the Jets won the "big game" 27-10.

Throughout the season, Coach Ironside gave the group direction and support. Some special events included a parents' day with a pot-luck after a scrimmage versus Drake.

On the team, we had heroes. Billy McGovern and Todd Cabrera were the Quarterbacks. With consistent throwing arms, they passed the ball to fast receivers as Blake Nichols and Jesse Tautalatasi. Roger Lloyd and Helaman Suesue gave the Jets a strong defense. Andre Botley, Anthony Sanchez, and Carl Robertson all added their skills and talents to give the team its winning capability.

The team's hope for a North Coast title was taken away in the first round of the 2-A North Coast Division, when they played DelaSalle who was ranked no. 1 in the state. The players gave it their best as Coach Ironside was happy they at least made it to the playoffs.

DETERMINATION IS THE KEY FOR GIRLS V. BASKETBALL

Under the direction of Coach Feheley, the Girls Varsity Basketball Team's season was tough. Practices were held everyday after school in the gymnasium from three o'clock to four thirty, and there were even extra practices on Saturdays and school holidays. Workouts consisted of inner-team scrimmages, laps around the gym, and drills in defensive and offensive dribbling, layups, passing the ball, and shooting. Veterans Rhonda George, Robin Crispi, Aunda Mason, and Kim Washington aided their fellow teammates in daily practices by offering tips and their expertise.

Scrimmage games and tournaments with other schools were organized by Coach Feheley and Mr. Ludy to help the girls and Feheley find their strengths and weaknesses before the ACAL games started in January. By December, the team knew that they had some members with speed, several impressive defensive players, some good rebounders, and a few excellent shooters.

In January and February, when ACAL games took place, the team was put through the ultimate of tests and revealed to many that they had Jet Pride. Although the girls proved to be tough opponents because of their unflagging effort, they failed to recapture the Alameda County Athletic League Championship, which Encinal had won consecutively for three years in a row, starting in 1982. At the end of the League the Girls Varsity Basketball Team had won three games and and lost five.

VARSITY BASKETBALL
Advance To Playoffs

It was the time to get back on the basketball courts for the boy's Varsity Team. Practices began early in November with new strategies and techniques planned for the upcoming season. Coached by Nolan Darnell, these athletes had a difficult year with an overall record of 9 wins and 12 losses. In ACAL it was 5 wins and 3 losses. They practiced jumpshots, lay-ups, and passing drills from 4:30 to 7:00 p.m.

Eric Bradley, Andre Botley, George Hobbs, Sheldon Bright, and Bobby Blackman were the returning veterans for the Jet Cagers and to lead them a second place in the ACAL roundrobin.

In the season finish, the Jets triumphed over the Alameda Hornets, in the big Cross-City Game on February 21st. The score was Jets, 56, Hornets, 62.

As a result of victory they advanced to the playoffs where the roundballers met and fell victim to the sharp Piedmont Highlanders.

The Junior Varsity basketball team, coached by Roger Young, also had a rugged season. In league record, they had 6 wins and 2 losses.

DEDICATION PAYS OFF FOR WRESTLERS

It began in mid-December, when a group of male athletes got together to form a wrestling team. Each wrestler was placed into one of thirteen weight classes. They were to remain in that weight class or they weren't allowed to fight in any of the dual meets or tournaments.

This gruelling sport required a lot of dedication and hard work in order to make it pay off in the end. Practices included a run to the Main Gate of the Naval Base, a series of takedowns and round-robins, and stretches to develop skills and keep the Jet bodies in the very best of shape.

Coached by Alumni Scott Sensabaugh, these machines were taught new techniques and skills for the tournaments. Mr. Sensabaugh was a three-time ACAL champion and North Coast placer and he conditioned his team to defend their title against Albany.

The Varsity Squad consisted of three Seniors, Six Juniors, three Sophomores, and one Freshman. The captains were Dan Thaxton and Junior Aaron Robles.

On February 20, a large tournament took place, involving nine different schools. Vince Sablan, Jesse Tautalatasi, and Roger Lloyd all placed 1st and Dan Thaxton placed 3rd.

Overall, the team had a very good season. The group had a lot of spirit which paid off in the end.

SOCCER GIRLS SOC'S IT TO THEM

The 1986 girls soccer team had many new and outgoing girls who participated with team effort, to "Soc it to them" in the ACAL league.

Coached by their newly recruited man, Dennis Young, the 26 soccer crazed girls improved on their offense and defense strategies. Thru rain or shine the girls practiced on the Willie Stargell Field daily from 3:00 to 5:00p.m. Over Christmas vacation they dragged their bodies out of bed to practice from 8:00 to 10:00 a.m. The team learned the techniques to kick, block, bump, and go for the goalie.

Led by team captains Gemma Kim, Staci Leuschner, and Nancy Lloyd the girls soccer had a rigorous and demanding season. Though the girls didn't win any games during the season, the girls proved to people the old familiar saying, "It doesn't matter whether you win or lose, its how you play the game."

MEN'S SOCCER PLAYS IN A MIXED SEASON

The "Men's" Soccer Team had a very unsettling season, playing in weather that insured favorable conditions to none. Bad rain created disturbing circumstances for the Jets, resulting with mixed final scores. In any event, Coach James "Jaime" Turrentine had the team running and passing daily from 3-7, and were drilled until their best was perfected. The hungry team showed its determination by practicing during Christmas vacation, to polish up on their newly learned strategies and techniques.

The "Men" concluded their season with 10 wins and 8 losses, tieing twice. The game schedule for the ACAL/RBAL was somewhat altered due to the use of several illegal players. In the end Mike Coffey and Vince Clark earned bragging rights to the All-League title, leading their team to the first round of play-offs.

SWIM TEAM STRIVES FOR PERSONAL BEST

Waves churned and splashes echoed as the Men's and Women's Swim Team practiced five days a week; two hours a day. Due to the fact that the Encinal pool facilities were undergoing major repairs. Both the Varsity & Junior Varsity teams practiced at the indoor pool of the Alameda Naval Air Station. Ironically, their cross-town rivals-the Alameda Hornets-were undergoing the same situation. The restoration of the pools was a long process which was scheduled to be completed in May.

Newark Memorial was the first of seven very challenging meets held on March 12. The small but competitive teams worked hard to accomplish their personal best. The Men's Varsity members and 16 Women's Varsity Team members continued to improve each week. Marshall Haines and Stacy Leuschner worked to qualify their times for North Coast. Dual meets were held once a week at 3:30 p.m.

Head Coach Mark Canepa guided the team and taught them new speed-building technique and new strategies to win their events. He gave the team encouragement and got the team "psyched" before each meet. But for the 1986 Swim Team, winning wasn't everything; it was the love for their sport and accomplishing their personal goals as well as maintaining team spirit!

VARSITY GIRLS GO FOR STATE MEET

The Encinal Girls Varsity Track team proved to be strong in all events that they participated in. They had experienced veterans and enthusiastic new comers brought about a positive atmosphere of working together as a team.

Head Coach Don Grant attended to the sprinters. He had them practice "trail flippers," "high knees," and "takeoffs" during the daily workouts. The returning relay team runners were Marcie Tanner, Donita Lyons, Vanessa Bradley, and Cynthia Fullwood. The younger freshman, surprised coaches with their speed and dedication.

Coach Joe King prepared interval workouts for the long distance runners; 220's, 330's, 440's and 880's were just to name a few. To build endurance, an occasional run to the long point, the water tank, or Grand street were very common. At the end of workouts they cooled off with callisthenics. When it came time to race the half mile, the mile, or the two mile there were four runners to compete for the Jets. The Thatcher twins, Sydney and Jul, Marie McAlister, and Antonella Aste.

The season was filled with many races. The team competed in dual meets that were held Wednesdays and Thursdays. There were four Saturday Invitationals the Jets participated in; OAL. the Antioch, Woodland Relays, and the Granada Games.

The ACAL Championships were held in May. Then the North Coast Section followed a week later. The top four at the North Coast ran at the Meet of Champions. The California State Meet was in L.A.

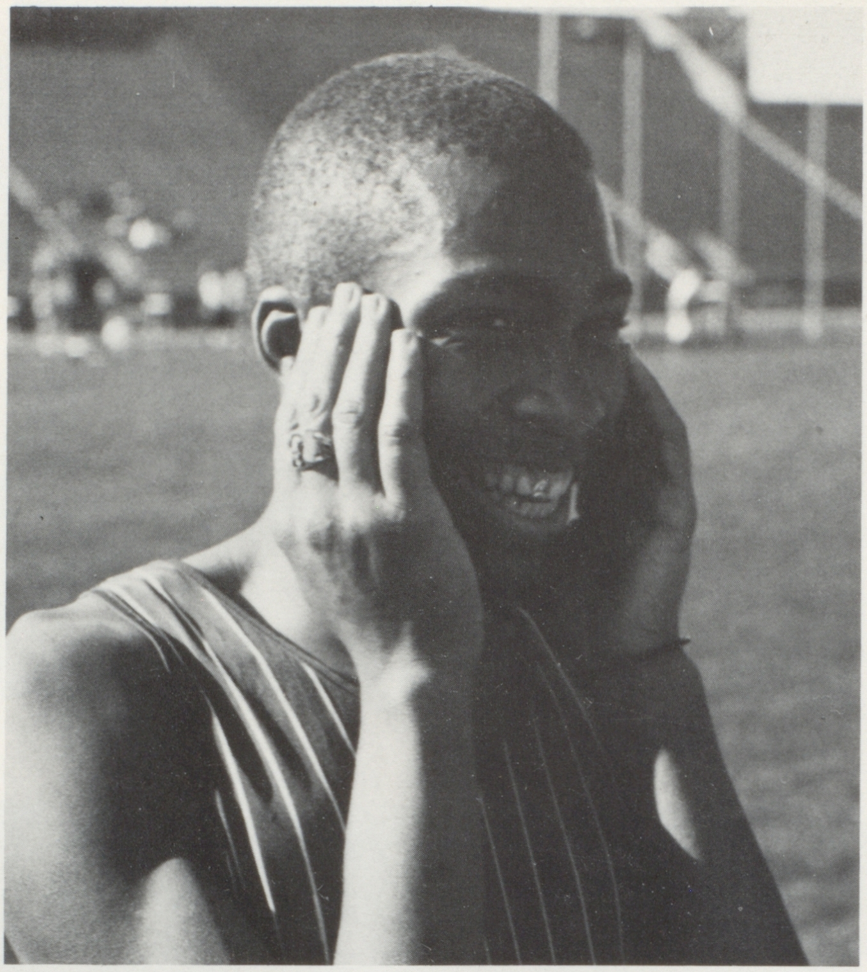
BOYS TRACK EXCEL IN ACAL



Track history was repeated when the Encinal Jets track team gave it their all at the A.C.A.L. relays and throughout the season of dual meets. The fleeting feet of the sprinters, the endurance of long distance runners, and the strength of field event participants led to the success of the team. They were very competitive when they were faced with the challenge of rivals and their own self improvement.

Preparation for track began in early February. Runners from freshman to seniors ran from 3:00-5:00 everyday afterschool. Head Track Coach Don Grant organized and trained the boys team physically as well as mentally. Distance coach Joe King had his runners run intervals as well as long mileage so they could race the 800, 1600, and the 3200 meter events.

The boys team also attended seven track invitationals. At Laney college in Oakland they raced in the OAL invitational. Then they went to the University of California to compete in the CAL invit. The following Saturday they traveled to Palo Alto to run the Stanford invitational. Among the rest were the Granada Games, Stapleton Relays, Woodland Relays and the Frank Porto Relays. These meets let the boys track run against teams outside the ACAL.

The A.C.A.L. Championships were held at the college of Alameda and the top four runners in each event qualified for the North Coast Meet. Those who were fast enough in the North Coast qualified again for the Meet of Champions. The top four at the Meet of Champs took their best try at the California State Meet held in June at Cerritos College in L.A. The competition proved to better all athletes.

SOFTBALL TEAM
Stays Tough

Homeruns, balls, strikes, steals, you're out! Softball, a game played by eighteen brave girls'. They had practiced in the blistering heat and on wet cloudy days. They got bruised and abused, but they learned to be tough.

They played their first game at Washington Park against a top rated team from San Lorenzo, San Lorenzo High. They had lost, but they hung in their like a "JET". With the talented skills of Robin Crispi and Rhonda George they had accomplished and put together a young team never before playing softball. Mid February the Junior Varsity and Varsity Baseball Teams were back up to bat as the Spring training officially began. Practices were held everyday Monday-Friday, from 3:00-5:00 p.m., at both Willie Stargell Field and Washington Park. Batting, catching, throwing and other infield-outfield drills conditioned the team for the upcoming season.

There were nine returning lettermen whose experience gave the team confidence. These players rallied the team up with their enthusiasm to face their rivals, such as Alameda and Albany. The Season Opener was played against Livermore on their territory. The final Score was   .
On Saturday March 1, the Jets were up against Castro Valley with home field advantage where they played a hard hitting game that ended in a tie.

EHS NETTERS ARE 'RARIN TO GO

The Tennis team, coached by Alan Rebensdorf, had a trying season. The team consisted of 14 players, with eight returning players: Bill Marder, Jimmy Vorasaph, Victor Magpoc, John Ng, Chelito Mercado, Mark Carney, Art DeLeon, and Raymond Fong. The squad had 9 racketeers on the Varsity squad, 5 singles and 2 doubles, and 5 racketeers on the Junior Varsity squad.

SMALL SQUAD LEADS SPIRIT

Although the Varsity spirit squad only had eight girls this year the squad still succeeded in bringing spirit into Encinal.

As usual the girls went to USA cheerleading camp in the summer. They returned with new cheers, routines, chants and lots of blue ribbons.

Something new this year was having the J.V. cheerleaders cheer with the Varsity. This gave the J.V. girls more exposure, helped the Varsity out with the J.V.'s loud yells & gave the J.V.s a chance to practice alongside the Varsity so that they could some day be on the Varsity squad.

The Varsity and J.V. continued the tradition of having pep rallies every Thursday throughout Football season. The rallies were interesting because the cheerleaders dressed up as silly characters and had the crowd participate in a lot of fun filled games.

Everyone agreed that even though the squad was small they still had enough spirit to carry the football team to the ACAL title.

A.C.A.L. HONORS EXCEPTIONAL ATHLETES

Champions! Encinal had many A.C.A.L. Champions in the fall, winter and spring sports of '85 and '86. The talents and strength of their performances proved to be satisfying to them as team members and as individuals. In the fall the EHS Varsity Girls Volleyball team had an outstanding season with a final win loss record of 17-1. Members of the team selected for league honors were Denise Murray, Liza Scott and Ituala Sue Sue. Gemma Kim was given honorable mention. They all contributed to the teams' success at North Coast playoffs.

The Cross Country team had three runners chosen for league titles. They were Chris Hoepker, Sydney Thatcher and Julie Thatcher. The A.C.A.L. Meet Championships were held in Albany. Chris and Sydney won the Varsity races and Julie placed second. Chris and Sydney qualified for the Northern California State Meet Championships.

The Varsity Football team had a strong field of A.C.A.L. athletes that were chosen due to excellent defense and offensive plays. Jesse Tautalatasi, T.J. Ford, Anthony Sanchez, Blaik Nichols, Helaman Sue Sue, Andre Botley and Roger Lloyd were the standouts of the season. The Jets won the cross city rival and made it to the North Coast playoffs.

In the winter Sports Jesse Tautalatasi, Roger Lloyd and Vince Sablan were A.C.A.L. Champions in wrestling. They went to the North Coast Section meet. Jesse Tautalatasi placed second and qualified for the State Meet.

The Encinal Basketball players on the all league list were Girls Varsity player Robin Crispi and Rhonda George received honorable mention. The Boys Varsity had two league players, they were Eric Bradley and Andre Botley. The honorable mention was given to George Hobbs, Bobby Blackman, Sheldon Bright and James Wills.

On the soccer field the agility and speed of Vince Clark and Mike Coffey were noticed by the league when they excelled in their sport. Vince made the first all league team and Mike made the second team.

Among the spring sports athletes were winners in baseball, softball, track, tennis and swimming. Staci Leushner had an outstanding season as she swam her to the North Coast meet.

Winning was the motivation to the athletes but the love for their sport was what carried them to their victories.

OPENING DANCE
"No Jacket Required"

It was on a dark thrilling night when the doors opened and the excitement began. This exciting moment was due to the Opening Dance of the year, whose theme was "No Jacket Required." This attracted 350 students to the Encinal gym from 8-11 p.m.

The wild crowd danced to the music played by "Music Masters." They were in high gear, rocking the gym with soul, rock, new wave, and the top 40. Some of the dynamite sounds they played were: Dress You Up by Madonna, Head Over Heels by Tears for Fears, Oh-Sheila by Ready for the World, and Call Me by Go West.

To help build up funds for the school treasury, the Leadership class sponsored the "unforgetful" night of September 27. This was to promote the sales of the Student Body Cards. The cards were sold for $5.00 plus $1.50 admission. Leadership banked in $1629.70 and profitted a sum of $1172.81.

With the incoming Freshmens and returning upper classmens, the mixing and mingling blended well. This gave the students the chance to meet new friends and reunite with old friends. Our first dance was a success.

SPIRIT WEEK SHOWS JET PRIDE

Perhaps the best part of spirit week was the 27-10 victory over our homecoming rivals plus the super victory dance that night where homecoming King Helaman Sue Sue and Queen Gemma Kim danced and celebrated with the very happy jet fans.

The week reviewed featured some new ideas and old traditions that were spirit builders. First there was a night-time pep rally the evening before the big game which featured everything from relays to pizza and pie eating contests. Our varsity cheerleaders put the rally together and they also performed chants such as "The Shake" to keep the crowds spirit up.

Another new idea was a car decorating contest where loyal E.H.S. fans turned their everyday autos into Jet Mobiles. The first place winner in this event was Staci Leuchsner, second place belonged to Petey Clark and third place went to Andrew Milani.

As in most spirit weeks 1985 featured class colors day — in theory anyone in brown on that day represented the "Frosh", orange, the "Sophs", red symbolized the Juniors, while green portrayed the Seniors. However, the best color day came later in spirit week as nearly everyone dressed in black to "mourn" for our poor old cross town rivals.

One long established tradition of spirit week at E.H.S. was class theme day — Freshmen went all out to be Hollywood while the Sophomores showed their enthusiasm for MTV, the Juniors' ingenious leaders came up with Fairy Land for their class theme while the Seniors decided to go back in time to the '60s.

Each event, new or old, added to spirit and the big game victory confirmed great feelings about ***Jet Pride.***

EHS CROWNS ITS OWN KING AND QUEEN

Although Prince Charles and Princess Diana were present in the U.S. during Encinal's 1985 Homecoming, we too crowned our own king and queen. Yes! November 15 was a memorable day for everyone, especially the court. New looks, new traditions, and glittering new crowns were the attractions during the Homecoming Assembly and Dance. The guys broke out with their new look; tuxedos and canes, while the girls wore dazzling evening dresses that caught the guys' attentions.

The Senior Class nominated thirteen boys and twenty girls. There were so many ties with the girls, that they decided to include all of the most voted girls. The student body nominated Helaman Sue Sue as their king, and Gemma Kim as their queen. Their court consisted of Michael Coffey and Grace Zambrano, 1st runner up; Anthony Sanchez and Marie McAllister, 2nd runner up; Bill McGovern and Olivia Rivard, 3rd runner up; and Jesse Tautalatasi and Stacy Green, 4th runner up.

At the Homecoming Dance the king and queen danced to "TRULY", by Lionel Richey, and later were joined by their court as they danced to "BEST OF TIMES", by STYX.

Though the dance ended, the moments still live on in their memories.

DOUBLE VICTORY FOR ENCINAL

In an emotional, hard hitting game typical of the 31-year-old series between Alameda and Encinal, the Jets defeated the Hornets, 27-10, on the turf of Thompson Field to win the Alameda County Athletic League football championship, and earn the right to advance into the first round of the 2-A Division of the North Coast playoffs.

Coach Mark Ironside's Jets used a stubborn defense blunting Alameda's balanced attack, and a solid running game rolling up 268 yards-all on the ground-to score four touchdowns-one on a 70 yard dash by speedy Jesse Tautalatasi, and three by quarterback Billy Mcgovern on option plays of 34, 11, and 19 yards.

A single handed effort by Tautalatasi midway in the second quarter put the Jets ahead, 13-10, tipping the balance in favor of Encinal and giving them the momentum to roll to the 27-10 victory.

The emotional level and the hard hitting of the game reflected in the statistics-the Jets lost the ball four times on fumbles, and Alameda gave it away three times on hard tackles. The Jets had one interception, and Alameda two.

This victory not only gave the Jets bragging rights and the ACAL cup, but gave them the Frank Nereu Memorial Trophy, which is in showcased by the victorious team for the year.

LIVE IT!
CAMPUS LIFE

High school, isn't it the life?

Campus life, the life a student led during high school. Lunchtime, pep rallies, hallway life, and spirit days were the main events that helped build campus life. These events brought the students together to show their school spirit.

The campus life started off with a bang. The students received a new Principal, Barry Conner, and a new Vice-Principal, James Ross, not only did the Student Body receive a new administration, they also received a new tardy system. Those who chose to be late for class spent an hour detention after school with the well-known teacher, Norman Robinson.

At lunchtime, Fellow Classmen could be found all over the campus. Lunchtime was not only time for eating, it was a time of socializing, gossiping, and doing homework. Some played basketball in the back while others played football or hacky sack on the front lawn, every now and then in the student parking lot you could hear the beat coming from someone's well equipped car.

During the football season, pep rallies were held at lunchtime. These rallies were a special entertainment package for the students. The cheerleaders cheered and chanted which uproared the spirits of the students.

In the hallway, people were often found in the halls eating their lunch, gossiping about the morning events, and doing homework for the next period. Sometimes, students were even found using the lockers as a bed to sleep on.

Spirit Day, was an event that took place once a month; it allowed students to show their school spirit by dressing up to the theme that was picked. Some of the themes were Blue and White Day, Hat Day, Red and Green Day, Dress as Your Favorite Hero Day, Sunglasses and Tie Day, Red Heart Day, Green Day, and Reverse Day. These were special designated days picked so that students could let themselves go and dress crazy.

Viewing campus life at Encinal, the many different activities that went on allowed everyone to feel like a part of the student body with the exception of the freshmen who were adapting to high school.

HOLIDAYS GIVE EHS A BREAK

It has always been nice to have a break in a monotonous schedule. Holidays managed to do that job well, as they were welcome changes at Encinal. Halloween, Thanksgiving, and Christmas, much awaited holidays by the students, brought out the best in everyone.

Halloween caused Encinal's spirit to shine as many students showed up in their favorite costumes. There were the usual witches and pumpkins but there were also the unexpected guises that ranged from a bag lady, to a toothpaste tube to the grim reaper.

Thanksgiving, with all its traditions was celebrated by most with family. While feasting on turkey, stuffing, sweet potatoes, and pumpkin pie, they tried to set aside this holiday as a time of reflection, a time for counting their blessings.

Christmas, everyone's favorite holiday, was eagerly anticipated, especially since it meant two weeks of vacation was coming. Encinal did its best to spread a bit of Christmas cheer by 'spraying' snow on windows and decorating the main hall with a colossal Christmas tree. Realizing that it was a season to put aside differences and focus on others, students participated in charity events. Leadership sponsored a canned food drive for the underpriviledged while the Horizon staff promoted the "Toys for Tots" program, hoping to bring some simple pleasures into young lives.

INTERACT COUNCIL UNITES CLUBS

A kaleidoscope of clubs provided many students with the opportunity to learn more about their government, study and discuss current issues, make new friends, serve their community, learn about different cultures, and have fun.

For the first time in EHS history, a club to help clubs communicate with each other was organized by the Leadership Class. The committee, called the Interact Council, was composed of club presidents and advisors and presided over by Charles DeSantis. Meetings took place once every month and focussed on problems with conflicting sales and raising school spirit and club membership.

The California Scholarship Federation-commonly known as C.S.F.-was an honor society for students with high grade-point averages. With three points given for an A, two for a B, and one for a C in college prepratory classes, members were required to have over ten points to qualify for the club. The purpose of C.S.F. was to prepare members for life after high school by investigating and discussing scholarships and exploring college campuses. Many C.S.F.'ers sacrificed their time to lend their expertise by tutoring those students who needed a little extra help in some subject. To raise money, the club sold candy and held a successful lumpia sale, in which over three hundred lumpia were sold in less than ten minutes.

Many members of the ski club fretted and worried that their planned trips would be cancelled when bad storms hit the Sierras and caused the closure of ski resorts. The resorts only closed temporarily, however, and on January 19 and 20, the club had an overnight trip at Squaw Valley. On April 5, the ski club left again for the Sierras and hit the slopes at Heavenly Valley. Although many skiers could not quite get the hang of getting on and off the ski lifts, and some beginners accidently found themselves on the moguls, all the members agreed that they had a great time. To finance their two illustrious ski trips, members hunted down lower classmen and threatened them with bodily harm if they didn't buy Ghiradelli Chocolate candy bars.

CLOSE-UP SEES D.C. UP CLOSE

Three clubs centered on studying different cultures: the French Club, the Spanish Club, and the Asian Club. Under the direction of Ms. Donahue and several students, the French Club was brought back into existence after a year's abscence. Holding several bake sales the members were able to raise enough money to visit French restaurants and view French movies. The Spanish Club studied the history, culture, and language of Spain and Mexico. The Asian Club's purpose, according to founding member Angela Chow, was to get involved with Asian Communities. A Fall popcorn sale in the Senior Hall raised money for their activities.

With the expertise of second year president Nancy Fortune, the Drama Club rose to new heights. Fall car washes and a jewelery sale financed a trip to the American Conservatory Theater to view the production of The Majestic Cowboy. The money they raised made it possible to produce two excellent and fascinating plays: Diary Of Anne Frank and The Man Who Came To Dinner.

For those who wanted to travel and observe government in action, Close-Up was the answer to their dreams. Fourteen members shared an action packed and intellectually stimulating week (February 2 through 9) in Washington D.C. with other students from Arkansas and Louisianna. Sunday afternoon, when the group arrived in D.C., they were immediately whisked into a flury of activities, lectures, workshops, and speakers and were not allowed a free day to tour until Friday afternoon. The hectic week was topped off with a banquet and dance on Friday night. Because the price-tag for this once in a lifetime experience was a hefty $833.00, in November through January, members collected donations for service week at local churches and the Girls Club.

TOP TEN STAND ABOVE THE REST

Ranked the top ten of the class of 1986, John Hewson, Stefanie Biba, Lisa Schleininger, Becky Lim, Sylvia Chang, Cynthia Chow, Barbara Bright, Staci Leuschner, Marshall Haines, and Antonella Aste, were considered some of the most motivated individuals at Encinal High. These ten students held very high standards of education while pursuing their goals, producing accumulative grade point averages ranging from 3.95 to 3.72.

All of them prided themselves in taking on schedules that required the best of their efforts. Many enrolled into classes demanding special attention, such as honors courses in English, Calculus, and foreign language. Incorporated into their high school curricula were the most difficult classes Encinal had to offer.

A key factor in motivating these students to attain their highest academic potentials was the insurance of a promising future. Realizing their higher educations were dependant upon their performances at Encinal, they became dedicated to achieving excellence. Colleges they wished to attend: MIT, Stanford, UCBerkeley, UCLos Angelos, and UCDavis would accept nothing less.

To be ranked the top ten was considered by many quite an honor, a testiment of accomplishment, diligence, and persistence. Students believed their places at the top of their class were indeed a privilege.

EHS GREATS-CONGRATULATIONS!

1st of all, to Jules & Cyn. It's been a fab 7 yrs, the last 4 were un4gettable! I don't know what I would've done w/out U 2. Thanx 4 being there, 4 sharing my joys & sorrows. "I'm going to the movies w/ Dora, Mom!" JM, FS, DM, JT, MS, R?, Vallejo Mike, it's your lost! Psycho & champagne? To CM-things didn't work out but always remember that I care. To JN-a consistent —, thanx 4 making me laugh. To the super twins J & S -remember the bike shop? To Neeta & Becky-we had good times. I haven't 4got10 & I never will. Take care friends. I love U all!-Dora L. AHS but also Class of '86.
